Good Afternoon Fred-

Thank you for your time on the phone today and I appreciated the conversation. If you would like, I would be interested in you sending me the photos, I believe you said over 600 that you have taken.

We work with our stadiums and clubs to carry out our standards to deliver a world class, safe and secure environment for our fans. Again, I appreciate you taking the time to speak with me and I will follow up with the 49ers on the active investigation that you referenced.

Thank you and have a great night,

Billy
